Spiritual Director: Deacon Bob Cavanaugh

As Knights, we are called to service for the glory of God, and that service follows the example Christ set for us at the Last Supper when he washed his disciples feet.

I was at Deacon Mark’s ordination two weeks ago, and Bishop Malesic left me with some words that have resonated over the last few weeks.

“God love us as we are. But God loves us so much, he doesn’t leave us as we are.”

As good as our service is, that service isn’t enough if it doesn’t bring us closer to God. Prayer can and should transform us. Our service can be one form of prayer in our lives. But- It can’t be the only one.

Attendance at Mass is one of the highest form of prayer. The rosary. Reading some scripture. Conversation w/God. There are lots of forms of prayer, pick something that works for you. Pick something that bears fruit in your life and changes you.

So, my challenge to you this month. Let our service as Knights change you by bringing you closer to Christ.

God loves us just as we are, but he loves us so much he doesn’t leave us as we are.

Allow that service, and your prayer life, to change you.

1. Medina Council Family Fun Event Planning – Bowling
 - a. We are looking to cap of the end of the fraternal year with a family friendly event at Medina Lanes
 - b. Some things to consider and to be taken up at the next ad hoc Leaders/Social meeting:
 - o Choose a date in June – possibly Saturday or Sunday of the weekend of June 15th or 22nd.
 - o Regular pricing of \$5.49/game and \$5.99/shoe rental.
 - o Two-hour period being considered, which would be ~2 games.
 - o Some local organizations have bundled their event with some pizza (2 slices) and a soda/drink. This would be ~\$21/person at list price. I have found Groupon discounts for two (2) people for two hours and shoe rental for \$23, and 4 people for \$38 and 6 people for \$52. Some things to consider and work through logistics.
 - o No further decisions needed at this meeting at this time. Please bring discussion to next Leaders/Social meeting.

5. **Eagle Scout Project (Dan Cathcart) –**Blake will be building a pavilion at Camp Christopher. He has raised \$3,000 of the total cost of the project which is \$5,000. Here is his link should you be interested in donating directly to his GoFundMe page (<https://www.gofundme.com/f/zn5v3-eagle-scout-project-camp-christopher-pavilion>) The project is required to be a community-based project. The Council approved a \$1000 donation at the July meeting. Please contact Brian Lombardi cell 330-328-2517 if you are interested in providing labor for this project. We will keep the Council updated as we receive word regarding the progress and need for volunteers. Dan Cathcart spoke to and found out that Blake received incredible support from others. They were able to purchase all the items he needed for the project. Current issue: No Building Permit currently. Awaiting approval from Bath Township. Brian Lombardi followed up with Blake, only to find out that Camp Christopher had decided to conduct additional construction projects so there is no place to build the pavilion.
 - a. Blake's Eagle Scout Project has continued to hit snags in his effort to build a pavilion at Camp Christopher. The County and the Diocese are requesting that the pavilion be built by a Contractor with insurance, because they do not want any legal issues in case an injury takes place. With that in mind, Blake is asking us if we are OK with him using the Knights of Columbus funds donated to switch to a Landscaping project. This project will include landscaping around the Camp Septic System, which right now is protected by an unsightly cyclone fence.
 - b. Blake asked the Council if he could repurpose the \$1000, we donated towards the shelter to go towards a major landscaping project he will complete at Camp Christopher. The Council agreed the \$1000 should be utilized for his new Eagle Scout Project.
 - c. Last night, I got the full approval from the Boy Scout District Council to carry out the project. A friend of my parents owns his own landscaping business, and I was able to get a discount through him on all the plants I need. I will be picking the plants up on Thursday the 24th. An exact project workday(s) has not been decided yet, but it will most likely be sometime in early June.

Thanks again for your generous support. I'll be sure to send before and after pictures.

We pushed back and said (1) we normally respond to local charities and (2) \$250 would be more in line - possibly team up with 4th Degree Assembly #1766 to match each other. ASAP Form (through K of C Supreme could amount to an additional \$200 donation (from Supreme). Monies to recruit seminarians and pay seminarian expenses.

GOOD OF THE ORDER (Brian Lombardi) –

May in the Catholic Church is the month dedicated to Mary. We probably all have fond memories of May Crowning's, May altars built in our homes and flowers adorning the head of the statue of Mary in the churches.

It's not a big stretch to see the connection between Mary and the work we do as Knights. After all, Mary's main purpose was service. She was given the ultimate job that God gave to only one human-bearing the Son of God and spending her life serving him. If we look at Mary's role as Theotokos which is Greek for "Mother of God" we can see that her role was universal and eternal. God gave her limited mortal life to serve her purpose, but then set her on an eternal journey to help other souls reach heaven. When we compare our role in God's plan for humanity, it may on the surface seem like we're not that important. But that's not so. Each of us has been given a plan by God on how to live our lives according to the purpose He set forth for us. Whether we're priests, married or single men, we are part of God's plan.

But since most of us are married men with children, I'd like to share one example of just how important our roles as males are in our families. This comes from Story of a Soul, the classic book by St Therese of Lisieux. Her mother died when she was only 3, which left her father as the main role of raising her as well as the other 5 children. There was a special relationship between her father and St Therese. He called her his "Little Queen". She idolized him and modeled her life after him up until the time she was old enough to pursue religious life. The point hidden behind this real-life story of a saint that changed the world as a Doctor of the Church, is that her father had a strong spiritual effect on her entire life. It's well documented statistical evidence that it's the father that most affects whether or not a child ends up attending Mass as an adult-far greater than the effect of a mother. Simply, the data unequivocally shows that if a man goes to church with his family, there is a much greater chance that the child will go to church as an adult. Think about it

and connect the dots...Fathers generally serve as the role of Abba for a child before they know about God. He's there, in charge, loving and providing everything they need. And as a result, a child idolizes and mimics the Father. If they see their Dad respecting God and adoring God, the kids put together the connection that if my Daddy is attached to God the way I'm attached to him, then logically I need also to go to God like he does. And for us older men, my belief is that this father influence doesn't change as we progress in life from dad to grandpa. Even in our limited time with our grandchildren we can make a huge difference in their spiritual lives as models.

As usual, here's my three challenges to be the example God created you to be. First, model the behavior that you want your loved ones to remember you by. Little actions make huge impacts. Making the sign of the cross before meals, even outside the home. Giving money to the pan handler that you run across at various intersections. Smile and wave at the person that cuts you off in traffic.

Second, work on your spirituality more than other parts of your life. We expect our kids to learn, and yet we stop learning about God ourselves. Have the bible or spiritual books on your reading list, go to daily Mass occasionally as you are able. Suggest to go to confession as a family.

Lastly, develop yourself as the spiritual leader of the family. Too often it's the wife that is identified as the spiritual hub of a family. But obviously, you'll have to develop yourself spiritually first before you can take that leadership role.

What do you want to be remembered for?

(Only for K of C Members and their immediate families) Keep this list for the Brothers and their immediate families, to be on for a 3-month period, if after 3 months, if there is a need for them to go back on the list, then we can do that. The SFX Prayer List should be used for all other people to be placed on that list for continued prayers. (1) = 1st month on the list and so forth.
